

STASH4LESS PARTY

Thank you for tuning in to our party! In order for you to buy anything, please make sure you sign up for our e-mail list at the bottom of our the home page on www.stash4less.com. By doing so you will also get advance notices for our future events!

All items to be sold during the Facebook Live event have special pricing for the event. The prices are valid starting at the start of the live event and will continue until the end of the day after the live event in CST and excludes any prior purchases or sales through any other source.

Items for sale are from various manufacturers. Some of them will be sold so we can make room for new arrivals, while others are recent arrivals to our store that we would like to introduce to you.

To buy:

- 1) Comment on the video with the item number (e.g 170) and the amount of yardage you would like to buy.
- 2) If the amount of yardage you wish to purchase is no longer available (everything is first come first serve), we will only invoice you the yardage still remaining. If you wish not to buy the partial yardage, simply send us an e-mail at stash4lessusa@gmail.com. We will then make that yardage available for the next buyer.
- 3) Invoicing will be done through PayPal. You don't need to have a PayPal account to receive and pay for invoices. You can use your credit card to easily pay your PayPal invoice.
- 4) Once you receive the invoice for your purchase(s), you need to pay it within 24 hours. Invoices not paid during the 24 hour time frame will be null and void, and the items will be offered to the next person in queue. Please carefully look through your invoice to make sure all is correct, and verify the shipping charge. Also, if we don't have your mailing address on file, please e-mail us (at stash4lessusa@gmail.com) your mailing address as soon as you have paid your invoice. Once the invoice is paid, the sale is final - no refunds will be issued.

Shipping:

- 1) We will only ship to the continental USA.
- 2) Items will be shipped using USPS Priority Mail at the actual shipping rate.
- 3) Your purchases will be shipped within 24 hours from a paid invoice, unless if you fail to provide us a valid mailing address before the time of invoice payment.
